Eurostar Leisure Travel with FIP facilities

Audience

This guide is for employees who hold a Rail Staff Leisure Card and the FIP International Reduced Rate Card.

Summary of discount

FIP fares in Eurostar Standard or Eurostar Plus for leisure journeys.

Holders of 2nd class FIP cards can only purchase discounted fares for travel in Eurostar Standard. No upgrades to Eurostar Plus are allowed (even if offered when changing a booking).²

The fares cover Eurostar's unavoidable charges, i.e. seat reservation fee, tunnel toll plus meal in Standard Premier.

There is no reduction on Eurostar Premier fares.

Supporting documents to use when purchasing and travelling

Passport and International Reduced Rate (FIP) Card.

A FIP card for each person travelling on a FIP fare must be presented.

Eurostar will record each FIP card number against the booking.

Children aged 4 and older must book a ticket on Eurostar.

Rail Staff Leisure Cards are not valid documentation for FIP fares.

Availability, quota & restrictions

FIP discounted tickets are quota controlled. Availability decreases as tickets are booked.

Book as early as possible before travel. Booking horizons are 330 days before travel.

Travel is for leisure purposes only. These fares are not available for residential (commuting) or duty (business) travel.

Break of Journey is not permitted with Eurostar tickets.

Public promotional fares

Eurostar public rate promotional fares may be cheaper than FIP discounted fares. The terms and conditions of public rate promotional fares can have more restrictions relating to changes and refunds than staff discounted fares.
